

### **I don't even know where to start!**

That's okay, we get it! We cater around 600 events per year, so fear not - we can guide you through this! Sometimes, the easiest thing to do is to [send us an email](#) with the following information:

- Date of the event
- How many people
- Time you'd like everyone to eat
- Any dietary considerations we need to be aware of?
- What is the event? Is it a birthday party, graduation party, wedding, rehearsal, etc? It helps us to know!
- Your name & phone number

We can usually guide you from there. Or, continue reading!

### **Group Size: <10 people**

Pickup Only. We only deliver for groups of 25+.

You have 2 choices:

- **Boxed Burritos**
  - These are individually packaged meals with either a baby or regular sized burrito, chips, salsa, and a cookie. We don't take individual orders – instead you will just tell us something like “3 vegetarian, 6 chicken” and we'll take it from there.
- **Take-out order**
  - Typically, take-out orders are not catering and should simply be placed through our online ordering system. But, if you have special requests, or need help, or are tax exempt, or something else, you can email that order directly to [carly@ZiaTaqueria.com](mailto:carly@ZiaTaqueria.com) and I'll help you. Please give me a few days notice – my schedule varies and I bounce between various entities so am not always immediately available to process your order in the location of your choosing.
